

# Enterprise Moravian and Mt. Olivet UMC

present

*As athletes and spectators from around the world are gathering for the Summer Olympics in Rio, there will also be plenty of excitement here! Enterprise Moravian and Mt. Olivet United Methodist Churches invite you to their seventh joint Vacation Bible School, **SonGames 2016!** We will meet Paul, one of God's most valuable players who lived during the days of the ancient Olympics and discover we can all be members of God's team!*

*We need your prayers for the energy and wisdom to share the love of God with our community. Please join us in praying for His guidance and His blessing.*

**There are many good times in store for our preschool, kindergarten, elementary, middle school, high school, and adult students! Will you accept the challenge?**

## **Preschool Students**

Our nursery through kindergarten students are in self-contained classrooms on the second and third floors of the educational building. They will have a special music time in addition to their classroom activities and nightly visits by Charlene Craver and Coach, the puppet. *Preschoolers will have activities through 8:30, but parents may pick them up at 8 if they need to leave for an earlier bedtime.*

## **Elementary Students**

First through fifth grade expeditions will rotate from station to station, playing games at the Training Center, making neat things at Craft Pavilion, singing at Olympic Anthems, and studying the Bible and meeting some of Paul's friends at Heroes Hall.

## **Youth**

The middle school class, led by Becky Lewis, Linda Mitchell, Lisa Furches, and Charles and Kathy Craver, will have a fun-filled week hanging out with their friends and digging into *Reaching Your World*, a study of Acts. They will learn how God's power worked through the Early Church to spread the gospel throughout the known world, how Jesus can change anyone's life, and how the power of the Holy Spirit in their own lives can affect the world for Him. Melissa Jackson and Christi Stark will lead the high school class exploring *Go for the Gold* and scriptures that give us detailed accounts of men/women who "went for the gold" and how we can win the

prize. They will also combine the lesson plans throughout the week with “What if?” scenarios so the class can reflect on missed opportunities and begin to recognize opportunities where we can share Jesus’ love.

### Adults

Our adult classes will study Adam Hamilton’s book *The Call: The Life and Message of the Apostle Paul*. Through Hamilton’s insightful and colorful teaching style, they’ll quite probably likely gain a better understanding of Paul’s missionary travels than if they had covered the many miles in person. They will be taught in the sanctuary by Linda Mashburn, Dan and Phylis Augsburg, Jim and Brenda Fulton, Vicki Wyatt, and Pastor Sandra Ireson.

**Registration is under way!** You may register at either church; mail your registration form (It’s on page 10.) to Mt. Olivet UMC, 1082 Community Rd, Lexington, NC 27295; or register online at <http://mtolivetumc.net/vbs2016> Pre-registration isn’t mandatory, but it will greatly help us with our planning and help relieve the long registration lines the first night. If you are planning to bring visitors, getting their information in advance would also be a big

help to us. **Please share this information and invite your friends to share the fun!**

### What to Expect

All VBS participants are invited for a **free meal**; we will **begin serving at 5:30**. This lets the earlier arrivals finish their meal and make room for others. When they finish eating, kindergarten through elementary students may go out for a variety of **games** which will be provided by our Sunday School classes. (Younger children may also play with parental supervision.)

### Parking

The back parking lot will again be blocked to assure the safety of the children as they go to and from the building. Adults who aren’t picking up children may wish to park in front of the church for easy access to their vehicles when their class in the sanctuary ends.

### Opening Assembly

Everyone is invited to the SonGames Stadium (picnic shelter) at 6:20 for our opening assembly and skit. Our youth will introduce us to sports announcer Joe Babbyola and the Smallvanian SonGames team of Brutus, Stella, and Tumbelina, who have a lot to learn about being a team of winners.

### Dismissal

Parents will pick up preschoolers from their classrooms at 8 or 8:30. Kindergarten through middle school students leave at 8:30. They will be divided according to the first letter of their last name—or the first letter of the last name of the person who is coming for them. They will be in the classrooms in the basement; look over the doors for the letters.

### Mission Project

Classes will compete to see who can bring the most non-perishable food for Greater Things Outreach, an all-volunteer food pantry in Welcome. One in four families in Davidson County face food insecurity. GTOC provides enough supplemental food for 3 days of nutritious meals to 450-500 individuals each week.

**Bring a friend and join us —Sunday through Thursday, July 26-30, from 5:30 until 8:30 for a time of fun, fellowship and spiritual growth!**

Worshiping God, Loving and Serving Others, Sharing the Good News

VOLUME 33 NO 7

<http://mtolivetumc.net/>

July 2016

What a joy it is to be among the great people of Mt. Olivet UMC. You have already made my husband (Chuck) and me feel like a part of the community. To become better acquainted I'd like to tell you about our family. I believe family brings happiness, especially when the family is centered around Christ.

I was born in Wilkes County, NC, to Rev. Ray and Shirley Waddell. I'm the third of four children, two older sisters and one younger brother. My birthday is January 7, (????). Some secrets are better left unspoken!

During my high school years, I was a cheerleader for the East Wilkes Cardinals. I also worked at a local restaurant, John Boy's BBQ, where I met my high school sweetheart. We were married on May 16. This past May we celebrated our 34th anniversary (and he is still my sweetheart.) Perhaps one of the best blessings of my life has been the time I have spent serving in ministry with Chuck. Beginning this month Chuck is the pastor of Midway UMC.

I have a Bachelor of Science degree from Greensboro College (major in Religion; minor in History of Religion) and a Master's of Divinity from Hood Theological Seminary. I am an ordained Elder in the United Methodist Church.

Our daughter, Brittany Holdaway, and her husband, Derick, have four girls and one boy. We have two granddaughters (Makenzie and Kaylee), two step-granddaughters (Makenna and Naomie), and one grandson (Isaiah). They live in Randleman, NC. What a busy household!

Our son, Christopher, and his wife, Lydia, live in Wilmington, NC. They celebrated their one-year anniversary in March. No grandchildren yet, but "Nanny" is working on it. Our lives are richly blessed, and if you want to see Chuck and me at our happiest, you will find it is when we are surrounded by our children and grandchildren.

I have a growing family that extends beyond my husband, children, and grandchildren. It continues to grow with each new appointment I serve as a pastor. Romans 12:5 clarifies how each of us are members of the same family, "So we, though many, are one body in Christ, and individually members one of another." I especially like this verse because it reminds me that my family has grown even more since I came to Mt. Olivet UMC. I am blessed to be part of such a wonderful and loving family. You were present in our lives before we began our ministries among you. I cannot show the depth of gratitude Chuck and I have for your prayers on behalf of our son's health and recovery. Once I began receiving emails and phone calls sharing your concerns for our family before we arrived here, I knew we were among friends and family. Thank you so much for that.

I feel at home and am eager to begin our service to Christ together in this community. As the Apostle Paul often stated, likewise I will remember you often in my prayers as my brothers and sisters in Christ.

*Pastor Sandra Ireson*

**You're invited to a reception honoring Pastor Sandra Ireson Sunday, July 17, from 2–4 PM in the fellowsip hall.**

## New Appointments

**These churches in our area are also receiving new pastors:** **Good Hope UMC** - Joseph Fulk, III; **Brooks Temple UMC** - Ashley White; **Center (Welcome) - Arcadia Assistant** - Edward Evans, Jr.; **Midway UMC** - Charles (Chuck) Ireson; **Midway Assistant**, Lexington - Lynn Jordan

**Annalee and Craig Allen** will be moving to the Concord area. Craig will pastor Memorial UMC in Kannapolis and Annalee will be working out of Charlotte as the Conference Associate Director of Ministerial Services.

## Baptism

Pastor Karen baptized Kayla Brinkley and Karsen Anthony Clodfelter, son of Kyle and Kayla Brinkley Clodfelter on June 12. Karsen is the grandson of Renon and Angie Brinkley and Eddie and Corky

## 2016 High School Graduates

**Hannah Mercer** graduated from North where she was co-yearbook editor and Miss North Davidson. In cross country, she was NDHS MVP, Davidson County Champion, and State Qualifier. In track, Hannah was the NDHS Distance MVP, Davidson County Champion in 4x800m relay and 1600m (1 mile). She received the Black Knight Award, Shield Award, Pete Jones Most Outstanding Senior Female Athlete, US Marines Distinguished Athlete Award, NDHS Math Award and was named Best All-Around in the yearbook. Hannah will attend Catawba College to major in athletic training and run cross country.

**Sam Vanderzee** graduated Magna Cum Laude from NDHS. He was active in the band all 4 years, playing the trumpet and serving as a section leader for 2 years. Sam was also inducted into the National Honor Society. He will major in Environmental Biology at UNCG.

**Kimberly Beck** participated in Future Farmers of America, National Honors Society, Mu Alpha Theta, Junior Civitans, and the HOPE club at North Davidson. Over 1,200 hours of service with the American Red Cross, Kiwanis Kiddie Camp, the Salvation Army Boys and Girls Club, and the YMCA made her the recipient of the "most service hours award." She will attend the University of Georgia at Athens in the fall to pursue a degree in genetics. Her long term goal is to work in a lab curing diseases by studying DNA.

**Leslie Marie Mashburn** attended Union Grove Christian School where she participated in choir and drama as well as receiving awards each year for citizenship. Leslie continues her education at Forsyth Tech, currently in general studies.

## Congratulations...

and best wishes to Kayla Brinkley and Kyle Clodfelter who were married at Mt Olivet on June 25.

## We Need YOU!

- Please contact Susan Craver (764-2983) if you would like to help VBS week as a teacher, assistant, craft instructor, or guide.
- Sunday School classes will have sign-up sheets for volunteers to help with meals, lead games, serve as greeters, and do follow-up with our visitors.

### Record of Our Faithfulness

*"I will be loyal to the United Methodist Church and support the ministries of Mt. Olivet United Methodist Church by my prayers, my presence, my gifts and my service."*

#### By Our Presence

	8:35	SS	11:00
June 5	78	93	53
June 12	89	81	49
June 19	65	65	48
June 26	66	NA	121

We averaged 80 in Sunday School and 142 in worship service.

#### By Our Gifts

Regular offering	\$15,283.00
Scholarship Fund	50.00
CCC	990.00
Youth Fund	750.00
Undesignated Memorials	340.00
Cemetery Fund	75.00
Tech Fund	600.00
Interest from CDs	680.16
Total	\$18,768.16

Our total regular offerings for June were \$15,283, which is not our lowest this year, but with expenses of \$24,815.72; we had a deficit of (\$9,532.72). We had a major expense this month of \$7,280.59 for the replacement of a heat pump in the parsonage; but even without this expense, our deficit for routine expenses would have been (\$2,252.13). This is the fifth straight month with a deficit, and we have to do better. For the year, our total expenses were \$103,918.42. With

total offerings of only \$90,637.37, we now have a total deficit for the year of (\$13,281.05). We are not in crisis, but we need to be more faithful in our offerings. We have savings to cover unexpected expenses, such as replacing a heat pump, but our offerings need to at least cover our routine expenses, and without the expense of the new heat pump, we still have a deficit for routine expense of (\$6,000.46) for the year. I

f you are behind in your offerings for the year, please try to catch up, and if you are able, please consider increasing your offerings. Remember that Mt. Olivet is our church and its success depends on each of us! May God bless you for your faithfulness!

*Charles Craver, Treasurer*

Another pizza party at the parsonage with these special ladies! Planning and plotting for our fall missions and annual November Bake Sale.

We are taking off the month of July to assist with our gifts and talents to VBS. The August meeting will be Monday, August 15. Please consider joining us, we always keep the light on! - *CVaughan*

## Music4Jesus.Faith

VBS songs on CD's are available in choir room. See Ms. Kathy at church between services. We want our children to have knowledge of the tunes before the July 24 Sabbath, the opening day to our VBS Son Games adventures. Also, those CDs are offered for the VBS teachers too. Every Thursday evening the children will be rehearsing in the choir room from 5:45 PM through 6:15 PM. Parents, mark your calendars.

There's a lot of opportunities for special music volunteers during our summer months for both worship services. Please let Missy and me know and we will work with you on rehearsal time and scheduling. It's so hard to maintain a full choir during the vacation season, but we have so many musicians such as pianists, guitarists, and singers among our church family. It's a chance to shine for Jesus and give back to him in this beautiful way.

Look towards Autumn and the possibilities there for choral support. Pass the invitation on.

Make a Joyful Noise!

*KKnox*

## What's Up(stairs)?

First through fifth graders' study of the Fruits of the Spirit will focus on kindness in July. Matthew 12:9-14, Mark 3:1-6, and Luke 6:6-11 record Jesus curing a man's paralyzed hand on the Sabbath. This incident illustrates God's care and calls us as Christians to show that same kindness to all people.

Jesus' act angered religious leaders of the day because He had broken their law by healing on the Sabbath, a day of rest. Why was this such a problem? Today healing is done routinely on every day of the week. Jesus put aside the laws of the Sabbath for more humanitarian purposes.

Jesus healed the paralyzed hand because God has concern and compassion for all of His children at all times. God has shown through Jesus that His love and compassion for His children is more important than rituals, even those commanded by God. The old way of doing things was changed to show kindness to one of God's people who greatly needed it. Jesus showed us that God's compassion comes first. As Christians, can we do no less than to follow.

Our key verse is Matthew 12:7: "It is kindness that I want." We will also use The Golden Rule, Matthew 7:12: "In everything do to others as you would have them do to you."

God has always given His people guidance on how they should treat one another. We are selfish, unless we are taught differently. God said that we should treat others the way we would like to be treated, with respect and kindness. If we like these things from others, it is only natural that others would like us to treat them the same. The golden rule is love in action; treating others well, because others are as important as you are.

Jesus said that Christians' love and caring for each other would be how the world identified us. Join us in July as we explore ways we can cultivate kindness in our lives!

*SCraver*

## Volunteers Needed

We have put together a data base of our church members. The Stewardship would like to see cards go out to those who miss three Sundays so that our folks will know they are missed when they don't attend. We need at least two volunteers from each service as we feel it will be more meaningful from someone who attends the same service. This should not take much of your time and can be done at your convenience. We are grateful that we already have one volunteer from the 8:45 service. Please contact Alice Johnson at 336.764.2773.

**Please pray for the delegates of the SEJ Jurisdictional Conference, July 12-15.**

First off, thank you to everyone who prayed, contributed, and helped with our **CCC (Carolina Cross Connection) mission trip**. We had a wonderful time being the hands and feet of Christ in the community in which we were serving. Each of us were truly blessed during our time at CCC and hope to in turn continue to be a blessing right here at home in our community. The youth and adults who attended CCC would love to tell you about our experience! Feel free to come up to one of us and ask.

**Vacation Bible School:** The youth have a very busy month ahead preparing for our acting debuts at this year's Vacation Bible School. Please note that the youth have VBS skit practice on July 10, July 13, and July 17 (Times included on the calendar below). Additional practices may be scheduled as the need arises. Youth will need to come to each practice with their lines/parts memorized. Any youth interested in having a role in the VBS skit should contact Amanda Batten to sign-up.

**Cookout:** Mark and Amanda Batten will be hosting a cookout at their home on Wednesday, July 20 from 6:00 – 8:30! We will use this time with the youth to plan and brainstorm for the 2016-2017 youth year. The Batten's address is 6644 Springfield Village Lane, Clemmons, NC 27012. Sign-ups can be found on the youth bulletin board or contact Amanda directly.

**Lake Day:** The youth will be spending the day at High Rock Lake on Saturday, July 30, for fun and fellowship. Youth need to be at the church by 8:50 a.m. in order to leave by 9:00 and will be returning back to the church around 9:00 p.m. Youth will need to bring an appropriate bathing suit/cover-up, towel, change of clothes, sun screen, and snacks that can be shared. Youth are also being asked to bring a life jacket if they have one to ensure there are enough life jackets for all youth. And lastly, we are in need of a few drivers to shuttle youth to and from the church and lake house. Please contact Amanda if you are interested in driving. Sign-ups can be found on the youth bulletin board or contact Amanda directly.

# Stop Hunger Now Packing Event

On Saturday, June 11, our fellowship hall was a busy place as around 50 Mt. Olivet and Enterprise members packed over 10,000 meals for Stop Hunger Now.

Each meal-pack contained measured quantities of rice, mince soya, dehydrated vegetables (in the form of a soup mix) and a fortified vitamin and mineral powder. These were designed for under-nourished children and adults. Hygiene being a top priority, volunteers were donned with disposable gloves and “designer” mop-caps.

The four ingredients were decanted through a funnel into a labeled plastic bag. Cooking instructions were printed on the label. Each bag was weighed to ensure consistency. The bags were then carried by “runners” (usually the young ones) to the sealing station where they were heat-sealed.

Sustainers kept the human production line topped up with ingredients. There were 216 meals in each box. Each time five boxes had been packed, a gong was sounded, and the volunteers celebrated being another 1000 meals closer to their target

The packaging “party” was brought to an end when the ingredients “ran out”.

Although the volunteers expressed their disappointment at the ending of the fun, reaching their target left them with a sense of achievement.

## Annual Conference Report

Thank you guys for allowing me to go to Annual Conference and represent you for the past three years.

This Annual Conference was somewhat uneventful compared to past conferences, because General Conference was held earlier this year in Oregon, some of the more controversial issues facing the UMC such as Sexual orientation and performing gay marriages were placed on a 18 month to two year discussion plan so I'm sure we will hear more on these subjects in the future. We as a congregation are encouraged to have open and frank discussions on this subject matter during this time.

Two positive issues brought before the conference were The Children's Home and the annual budget. Three years ago I brought back disturbing news that The Children's Home was not being run as we Methodist intended for it to be run. There were even negative news articles on TV about The Children's home. Three years ago we at Annual Conference voted to change the way the Board of the Home was selected and to insure that there were more Methodist on the Board. That is now being done and things are looking much better at the Children's Home. This year we unanimously voted for The Children's Home to partner with the Crossnore School near Linville Falls, a very well run and successful school for children in need of guidance and leadership. We believe that the merger of these two schools will positively affect the lives of many children in the state of North Carolina.

The second positive issue this year was the approval of the annual budget for the Western North Carolina Conference. The proposed budget was actually \$15,000 less than last years budget. In a time when cost are running rampant it is refreshing to see cost kept at a minimum

The other highlight of this year's conference was the retirement of Bishop Larry Goodpaster, a wonderful celebration of his time as Bishop was held and all in attendance gave well wishes for a joyous and long retirement.

Thanks again for allowing me to represent you, it was a pleasure.

*Jim Bumgarner, Lay Delegate*

### "The race that is set before us"

*Hebrews 12:1-2 Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God.*

In the Greek olympic games of old, a unique race was run. The winner was not the runner who finished first --- it was the runner who finished with his torch still lit!

There are times in our lives when we feel like we just can't continue in the race. These are precisely the times when the enemy loves to assault us to the point of breaking and torment us s "You'll never make it to the finish line, you may as well just quit now". This is the time we r cling on to God's promises! The Lord will soon reward our diligence for all our toiling here in this world. Paul said, "Let us not grow weary in well doing for in due season we shall reap if we do not faint".

Let's allow God's wonderful promises to strengthen and comfort us in each circumstance so that we can run the race --- not to finish first, but to run together, side by side --- the flame of our torch reaching the finish line blazing brightly with fire for Him!
