

Welcome to the Mount Olivet United Methodist Church website. I am delighted you have chosen to spend a few moments discovering a little about our church. I like to think of this church, with a long history, as a people of community, of family, and of Christian faith.

We are a congregation committed to following Jesus Christ, making disciples, and transforming the world. That means we worship Jesus with passion and joy exalting Him as the Lord and Savior of the world. We encourage consistent worship, prayer, Bible study, and missions within the church and throughout life. We love and support each other – and, as people of God, we believe in extending mercy and grace to those outside the church walls as well, with generosity, invitation, and compassion.

My hope is that everyone will feel respected, loved, and welcomed at Mount Olivet. To God, all lives matter, and so we seek and pray that people will meet God here and, as a result, give their lives to Jesus Christ. We want that for everyone – God wants that for everyone. Come as you are. Check us out, but more importantly, seek the love of God that can only be granted when one personally knows Jesus, God's only begotten Son. Become part of a group of people who want to meet you and to know you and want to share life with you. God has an adventure awaiting every person. We all have an unexplored journey that is in the will of God just waiting for us to take the first step and then, by faith, go where God wants us to go.

Maybe you are new to the Christian faith, or perhaps you have been following the Lord as long as you can remember. More than likely, you find yourself somewhere in between. That's okay. Because wherever you are on your spiritual journey, Mount Olivet is ready to help you discover new territories in your walk of faith. I invite you to come grow with us!

Thank you for spending your valuable time reading this. I am honored to have these few moments to introduce you to a special church and the wonderful people who call Mount Olivet their church home. Please accept our invitation to worship with us this Sunday. I trust you will have a great experience. I look forward to personally meeting you. Until then, I remain...
